## Überblick FaciPlan 2019/365 Editionen

|   | FaciPlan Basic                   | FaciPlan Professional            | FaciPlan Enterprise              |
|---|----------------------------------|----------------------------------|----------------------------------|
| <b>Fläche</b>   |                                  |                                  |                                  |
| Selektierte Fläche als Rasterfläche initialisieren      | <input type="radio"/>            | <input checked="" type="radio"/> | <input checked="" type="radio"/> |
| Selektierte Rasterfläche als Multifläche initialisieren | <input type="radio"/>            | <input checked="" type="radio"/> | <input checked="" type="radio"/> |
| Gesamtmenge der selektierten Multiflächen bilden        | <input type="radio"/>            | <input checked="" type="radio"/> | <input checked="" type="radio"/> |
| Selektierte Multifläche löschen                         | <input type="radio"/>            | <input checked="" type="radio"/> | <input checked="" type="radio"/> |
| Sortieren und aktualisieren                             | <input type="radio"/>            | <input checked="" type="radio"/> | <input checked="" type="radio"/> |
| Multiflächenfarbe neutral setzen                        | <input type="radio"/>            | <input checked="" type="radio"/> | <input checked="" type="radio"/> |
| Multifläche an Wand teilen                              | <input type="radio"/>            | <input checked="" type="radio"/> | <input checked="" type="radio"/> |
| <b>Inventar (Shapes)</b>                                |                                  |                                  |                                  |
| PDF Import <b>[NEU]</b>                                 | <input type="radio"/>            | <input type="radio"/>            | <input checked="" type="radio"/> |
| Grafik einmessen <b>[NEU]</b>                           | <input type="radio"/>            | <input checked="" type="radio"/> | <input checked="" type="radio"/> |
| Shapes einfügen <b>[NEU]</b>                            | <input type="radio"/>            | <input checked="" type="radio"/> | <input checked="" type="radio"/> |
| Kombinationen einfügen <b>[NEU]</b>                     | <input type="radio"/>            | <input checked="" type="radio"/> | <input checked="" type="radio"/> |
| Shapedatensätze hinzufügen                              | <input type="radio"/>            | <input checked="" type="radio"/> | <input checked="" type="radio"/> |
| Hyperlinks <b>[NEU]</b>                                 | <input checked="" type="radio"/> | <input checked="" type="radio"/> | <input checked="" type="radio"/> |
| Bewegungsflächen hinzufügen                             | <input type="radio"/>            | <input checked="" type="radio"/> | <input checked="" type="radio"/> |
| Nutzerinformationen übertragen                          | <input type="radio"/>            | <input checked="" type="radio"/> | <input checked="" type="radio"/> |
| Shapes verschieben                                      | <input checked="" type="radio"/> | <input checked="" type="radio"/> | <input checked="" type="radio"/> |
| <b>Schlüsselverwaltung</b>                              |                                  |                                  |                                  |
| Schließkreisanzeige                                     | <input type="radio"/>            | <input type="radio"/>            | <input checked="" type="radio"/> |
| Tür suchen  | <input type="radio"/>            | <input type="radio"/>            | <input checked="" type="radio"/> |
| <b>Wartung</b>  |                                  |                                  |                                  |
| Wartung ausführen                                       | <input type="radio"/>            | <input type="radio"/>            | <input checked="" type="radio"/> |

|                             | FaciPlan Basic                   | FaciPlan Professional            | FaciPlan Enterprise              |
|-----------------------------|----------------------------------|----------------------------------|----------------------------------|
| <b>Auswertung</b>           |                                  |                                  |                                  |
| Datengrafik-Explorer        | <input checked="" type="radio"/> | <input checked="" type="radio"/> | <input checked="" type="radio"/> |
| Datengrafiken generieren    | <input checked="" type="radio"/> | <input checked="" type="radio"/> | <input checked="" type="radio"/> |
| Datenlegenden erstellen     | <input checked="" type="radio"/> | <input checked="" type="radio"/> | <input checked="" type="radio"/> |
| Visio Berichte              | <input checked="" type="radio"/> | <input checked="" type="radio"/> | <input checked="" type="radio"/> |
